by A. Gilmer has add disexpectedly brought before the convention and or circumstances which of themselves graduated the line of group offen is any manner consistent with your views, position, and parricule surposes. It is far better here for you and your true friends to draw the wait of shiresowers that focurrence, and betwe it where is belongs, as a part of history." Mr. Gitner considers his ophilis with the dotch! information that the country is now "near yearing on any her and searning maintain, which plaintly beokens the downfall of constitutional liberty." Still, flough the cause is hopeles, he advises Mr. Obase to vote for Eng mourand Fishr. This is returning good for evil, if, as Mr. Gitner evidently means to charge. Seymour had promised to nominate Cause, and permitted himself to be nominated instead. Outside the Democrate serve. Mr. Obase them is suggest that it would have been Seymour and for Mr. Chase and printing the server will suggest that it would have been Seymour for Mr. Chase as had taken the red of obtivion before he changed to have his name used as a compten nice respectively and date for the Presidency.

As indicated by a pasagraph in our tacked for the uccloss expanditure it would cause at a time when the nation demands at economical administration. It would take then to Washington who can be more thereto the where. Something would viry likely be done or said timene wing of the Capitol or the other which would prejudice the prospects of which would prejudice the prospects of the cause the admitted.

Compt. mise compression and idate for the presidency.

As indicated by a passgraph in our orients yesterday, the Chicago Board of Health has established an efficient inspector at the Union Stock Yards for the protestion of the public against the possibility of esting diseased meat. The Board has also appointed a six remain has to watch the other avenues through which has wholes me meant may be brought into the city. As hilful inspector will visit each of diseased she has been selected as imals is sent to the rendering-house instead of the shambles.

The stalement made yesterday that a herd of diseased eastle had been selected at the Stock Yards needs correction; the serioure was made at Brighton. No case of Texas fewer has occurred at the Stock Yards for several days pass.

Mr. Collen' A Battle, who holds the rank of General among the Southern Democrate, made a speech in the Symour and Blair rautication meeting at Mobile, on the Lith, in which he said:

"Counted to brothers, real after year feet for the conselection of the said of the post of the serious days had been been selected as one of the serious days of the said of the serious selected as a process of the Southern Democrates, made a speech in the Symour and Blair rautication meeting at Mobile, on the Lith, in which he said:

"Counted to brothers, real after year feet her the conselection of the serious of counters and serious of counters and and serious of counters and serious and serious of counters and serious of counters and serious and on serious the same of the serious of counters and serious of counters and the serious of counters and on the same of the serious of counters and on the same of the serious of counters and on the same of the serious of the serious of the same of the serious of the serious of the same of the serious of the serious of the same of the serious of the serious of the serious of the serious o Few more remarkable evapores can be found in the history of human delusions than that which we transfer to our columns this marking from the De Kulo County Nova. Our own reporters got held of the faces several days aged, but they seemed incredible and we health to give them published to give them published incredible and we health to make the face of the face of the face in the face of t SPIRITUAL WIVER The execution of lourteen men for con The execution of lourteen man for complicity in the assessination of Prince Michael of Servis, on the morning after sentence was pronounced, was conducted with herribic barbarity. The condemned were-planicated to fourteen pools, set up side by side in front of a trench, in which their bodies were to be busied. Bour soldiers, standing at a distance of six paces, sand at the first in the row until he was dead, when his hody was desached and isid in the trench. The second was then taken in the same way, and so on through the whole number. The last, of course, had to attend thirteen successive executions before his own turn came.
